a Nursery-School has been held up for want of a building and there has been no place for the office, nor a place to which either distinguished or casual visitors of the Association could be invited or even a place for any visiting members from the branches could stay during their visits to the Headquarters

A PERMANENT BUILDING owned by this Institution is therefore a necessity

On behalf of the Lakkalakoota I appeal to you, respected Sir, to help us by granting free a suitable site for the construction of a building for this Institution anywhere in the City of Bangalore preferably near some children's play-ground or other open space, where the children could play about In this connection I may be permitted to suggest the small piece of land between the Urdu Girls MiddleSchool and Sharada Talkies, in the Fort Area, the triangular piece to the east of the site intended for the construction of the Yuvarajah's Memorial in front of the Boy Scout Headquarters. There is another such piece of land on the HardingeRoad between the Cemetry and the Road proper behind the Sankaramutt I could suggest a third plot and that is the one adjacent to the one just mentioned, to the south of it forming part of a wide playfield I mention these because they are situated in the vicinity of the Sankaraiah Hall, Scout Headquarters, and Schools which buildings could be of use to us in case of very large gatherings, and as well quite close to childrens playgrounds too The grant of any one of these sites or any other in the Fort area would be an actual blessing from you to every child of this dear Karnataka Country.

Thanking you in anticipation of a cordial ~~and~~ compliance of my sincere and humble request, and with the most sincere regards

There is an elders' Committee to manage and to organise and guide this Institution But the Children themselves are left to organise the weekly meetings, periodical programmes or other activities Every child-member is given a Monthly Bulletin Free in addition to two booklets interesting to and written for or by children

The Makkalakoota is registered under Regulation No III of the Societies Regulation of Mysore of 1904

In so short a time as seven years this movement has gained such a popularity and interest throughout the country that at present there are Branches of this Association or allied Associations affiliated to this in a number of places spread all over Karnataka e g Gulbarga, Belgaum, Raichur, Udipi, Mangalore, Chitaldrug, Anavatti, Shirialkoppa, Gudipalli, Bowringpet, Kolar, Sidlaghatta, Chikballapur, Mandya, Melkote, MysoreCity and several extensions of the Bangalore City Child-Delegates from all these and other parts are annually attending the Conferences generally being held in the central and Headquarters place of Bangalore During other periods also members and other interested gentlemen are visiting the Headquarters Organisation.

The lack of a building of anykind to this Karnataka wide Organisation has been a serious handicap and a stumblingblock to its steady progress and healthy growth At present, the annual gatherings, periodical meetings etc , are being conducted in the premises of the Sankaraiah Hall, Sankarapuram, The idea of opening a Children s Library as that also of
